

RESUME

September, 2014

INTRODUCTION

The StudioEIS resume covers projects from 1976 to our most recent commission for the Women's Monument Commission in Virginia. In our 38 year history we have produced hundreds of projects for Museums, Cultural Institutions, Presidential Libraries, Public Works, Sports Venues, and Corporations worldwide. StudioEIS has produced the largest bronze portrait project in the history of the US for the National Constitution Center in Philadelphia. Our resume is vast and begins with our most recent commissions followed by the various genres we have worked in (edited in chronological order).

Recent, New and Noteworthy Projects for StudioEIS include:

- *Jamestown Rediscovery Project, Jamestown, VA & the Smithsonian's National Museum of Natural History* – Exhibition, "JANE, Starvation, Cannibalism and Endurance at Jamestown" – Forensic facial reconstruction of a 14-year-old girl.
- *Women's Monument Commission* for the VA State Capitol Grounds in Richmond, VA: StudioEIS and the 1717 Design Group selected to design the Commemorative Women's Monument, thought to be the first of its kind in the nation
- *San Francisco 49ers Hall of Fame*, Santa Clara, CA: commission to produce 26+ sculptures of the SF 49ers Hall of Fame Athletes, Coaches and Owners for their new venue in Santa Clara, CA.
- *American Museum of Natural History* – Bronze Sculpture of Teddy Roosevelt for the Theodore Roosevelt Memorial at the AMNH.
- *George Washington's Mount Vernon Estate and Garden*: 6 larger than life portrait busts of founding fathers.
